I grew up in an unstable home, with parents whose marriage was a failure. I can't recall one positive thing I learned from their relationship. I was determined that my marriage would be better, and it was to begin with - we were two young adults very much in love. However, I had no idea how to handle the crisis's that come to EVERY marriage, so I resorted to respond in the same negative way my father did. Years later, even as a Pastor, our marriage was a total farce - all love was lost.

Thank God His Word has the answers - it always does! By applying many newly discovered Bible marriage success secrets, we now have resurrected love - the perfect marriage - being married to my best friend.

Pastor Allan Bagg, Cape Town, South Africa

Smiley, our members thoroughly enjoyed and were greatly blessed and enriched by your outstanding Marriage Seminar. Without hesitation I highly recommend this course to every Pastor. The fruit of Smiley's transformed marriage will produce after it's kind as it did in our church.

Pastor Stephen Weir, Johannesburg, South Africa

This seminar was loaded with revelation knowledge, beginning to end - no hype. As a Pastor for over 20 years, I've been looking for practical materials to give to couples to improve their marriages and to singles preparing for marriage - my search is over. Our 20 full time Pastors now have the perfect tool to put into the hands of those with marriage challenges. Thank you for your excellence of ministry. We were all truly encouraged. It was the best marriage seminar my wife and I have yet attended.

Dr. Brain Biddulph MD, Johannesburg, South Africa

As a medical doctor for over 25 years, I've needed to attend many secular marriage courses and as a Christian I've attended several Christian Marriage Seminars. All had value, but my wife and I couldn't wait to get back to hear each session of this outstanding 5 part seminar. It was undoubtedly the best Marriage Seminar we've ever attended - so good that I told Smiley that somehow this course should be taught in every Christian church. The Monday night session on 'The Spirituality of Sex in the Marriage' was tastefully, humorously and scripturally done. Medically it was 100% accurate and is so desperately needed to be taught in the church - we doctors know the magnitude of the dysfunction in this area.

Pastor Chris Stark, New Life Church, Bryanston, Sandton, South Africa

Having attended several good Marriage Seminars, I highly recommend this one as the most balanced, effective and practical seminar. Many powerful testimonies of saved and transformed marriages keep coming in. One reason this stands apart is because it's taught from the hearts and lives of their transformed marriage - not head knowledge.

"People need to hear my husband teach this seminar, because he's earned the right to talk about it - God changed his heart to truly love me like the bride of Christ."
